

Best Practice Club Event

For the East Midlands

Donington Court

Pegasus Business Park, East Midlands, DE74 2UZ

Tuesday 12th June 2018

Constructing Excellence (CE) and its Midlands Partner, the Built Environment Hub (BEH) would like to invite you to the Best Practice Club Event in the East Midlands.

This is a **free** breakfast event, which will take place at **Donington Court, Pegasus Business Park, East Midlands, DE74 2UZ** on **Tuesday 12th June 2018**.

“Pay Apps – SME Agenda and SME/Micro Business Cashflow”

Presentation by Neal Hooks, PayApps.

Payapps is a global cloud-based collaboration platform allowing both main contractors and subcontractors to save significant time and cost by automating the application for payment/pay app, validation, and certification process. The platform provides a secure, efficient environment for the exchange of information necessary to certify a contract payment. By accurately issuing conforming applications for payment/pay apps and payment notices, Payapps.com ensures compliance with local common law. The Payapps platform has a strong UK and Australian customer base that includes builders such as Wates Group, Lendlease, NG Bailey, G F Tomlinson, Mirvac, Grocon, Built, Watpac, McConnell Dowell and Icon.

Neal is the Business Development Manager for Payapps and has many years' experience in this specialist market.
